(b) and (c) At present Doordarshan Kendra, Dibrugarh is telecasting programme for limited duration produced by Doordarshan Kendra, Guwahati. Necessary steps have been initiated to post the requisite essential staff to Doordarshan Kendra, Dibrugarh so as to commission the Centre during 1993-94.

Setting up of new TV transmitters for coverage of population

4037. SHRI JAGIR SINGH DARD: Will the Minister of INFORMATION AND BROADCASTING be pleased to state;

(a) what percentage of population is covered by T.V. network at present; and

(b) what places have been identified for setting up of new TV transmitters in the near future?

THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI K. P. SINGH DEO): (a) About 82.4 per cent population of the country is, at present, estimated to be covered by TV service, inclusive of the population in the fringe areas, where elevated antennae and boosters are required for obtaining reception.

(b) The places where TV transmitters are, at present, under implementation/envisaged to be set up, subject to availability of resources, are given in the Statement. (See below). Out of these places, TV transmitters at Dharwad, Atmakur, Bheemavaram, Sujangarh, Khambat, Purulia, Jhar-gram and Jhalda, are envisaged to be commissioned in the near future

Relay of programme for the benefit of agriculturists by other aid kendras

4038. DR SHRIKANT RAMCHANDRA JICHKAR; Will the Minister of INFORMATION AND BROADCASTING be pleased to state;

(a) whether Government are aware of the immense popularity gained by a programme on silk and sericulture for the benefit of agriculturists organised in 1992 for six months by the Nagpur Akashvani;

(b) if so, what was the nature of the programme;

(c) whether there is a demand that this beneficial programme should be broadcast from other stations in Maharashtra; and

(d) whether other Centres of Akashvani in India will be asked to study this programme and implement it for the benefit of agriculturists in other parts of the country?

THE MINISTER OF STATE OF THE MINISTRY OF INFORMATION AND BROADCASTING (SHRI K. P. SINGH DEO): (a) Yes, Sir.

(b) The programme was broadcast for five months in the form of lessons on raising of mulberry trees and rearing of silk worms.
